## What is Outcrowd?

---

Outcrowd is a social safe space support group meeting once a month at different locations across Surrey to provide access to support and information on sexuality and gender identity. Outcrowd is also a good opportunity to make new friends and connections.

The groups are informal, please do come along and see for yourself, our volunteers are on hand to talk to you and welcome you into the group. We try to ensure that the venues have facilities to get a hot or cold drink, some of our venues offer snacks and light meals. Outcrowd provides an opportunity to chat to other people connected by sexuality or gender identity and receive information, support as well as making new friends. If you do have access needs, please do check with us what facilities are available before attending, as not all our venues are fully accessible.

## Why don't Outline always use the term LGBT to describe who they support?

---

You may be more familiar with the term's Lesbian, Gay, Bisexual, and Transgender (LGBT) today not everyone identifies or is comfortable with these labels, Outline want you to feel comfortable talking about sexuality and gender identities in any way that is most comfortable to you.

## Who are Outline?

---

Outline are a Surrey based charity, supporting people with their sexuality or gender identities. We operate a support service via telephone and e-mail as well as on our website twenty four hours a day. Outline also operate a social support group service known as Outcrowd, which allows people to meet others connected by sexuality or gender identities and receive support face to face.
